ARCHBISHOPRIC OF PARIS

PARIS, July 3, 1919.

Mr. President: The Apostolic Vicar of the Bulgarian Catholics of Macedonia requests me to transmit to you the inclosed letter, recommending it to your kind attention.

I do this all the more willingly since M. Jules Levesque, French Lazariste, Superior of the Macedonian Mission, assures me of the accuracy of the facts and the just foundation for the request of the Apostolic Vicar.

M. Cazot, also a Lazariste, assistant to the Congregation, who was for seventeen years superior of this mission, would be able to enlighten the peace Conference completely on this matter.
